### Councillor Galbraith - What's Happening in Aldershot

Thank you for coming today and this venue (Ye Olde Squire) is great!

Exciting new developments are coming to Aldershot and we are in the middle of this development stage.

Development applications are in various stages at City Hall.

Highlights of the active developments.

Hoping to see commercial protected as these new developers move in. Creating a vibrant Plains Road.

All being driven by the full service go station and the mobility hub.

We are seeing more infill renewal development in Burlington and Aldershot.

The east end of Plains Road is due to be resurfaced in 2021 and the goal is to be cycle friendly.

Working with developers to ensure infrastructure is there to have beautification options.

Waterdown Road widening will start this year. 95% paid by the City of Hamilton. When complete it will be a very beneficial artery to Aldershot.

Red Tape Red Carpet Task force is for the business community. Looking to attract more business and more jobs in Burlington. Please connect with Kelvin's office to chat more!
